# **CERTIFICATE OF ANALYSIS**

## Product Information

| Product Name:      | Cardiac Troponin I (cTnI), His, Human                                                                                                                                                                                |  |
|--------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|--|
| Cat. No.:          | Z03320                                                                                                                                                                                                               |  |
| Lot No.:           | E2203018-A                                                                                                                                                                                                           |  |
| Storage Condition: | Lyophilized recombinant Human cTnI remains stable<br>up to 6 months at lower than -70°C from date of<br>receipt. Upon reconstitution, Human cTnI should be<br>stable up to 1 week at 4°C or up to 3 months at -20°C. |  |

## **Quality Results**

| Test Items                             | Specifications            | Results       |
|----------------------------------------|---------------------------|---------------|
| Physical Appearance                    | White Freeze-dried Powder | Conformed     |
| Purity (SDS-PAGE)                      | > 95%                     | Conformed     |
| Biological Activity(ED <sub>50</sub> ) | Not Available             | Not Available |
| Molecular Weight                       | 26 kDa                    | Conformed     |
| Bacterial Endotoxin                    | Not Available             | Not Available |

### **Caution:**

For laboratory use only. Not for household use. If you have any questions about the Certificate of Analysis, please contact our customer service representative at 1-877-436-7274 (Toll-Free), or 1-732-885-9188
